Submission – cum – Clarification

It is submitted that, earlier the company has applied for registration of a residential No. ORERA072294314. Subsequently, it has been decided that, the name of the project shall be changed to "NIDO DE AAMOR" instead of "ARCADIA". As decided, a fresh application was submitted to ORERA with same approved plan in a new name in the name and style of "NIDO DE AAMOR" in the name of the company "ALLTRADE CONSTRUCTION PRIVATE LIMITED". Hence, we are not interested to pursue further for the project "ARCADIA" and the same may kindly be rejected/cancelled/reverted.
