CLARIFICATION

The drawing plan for the proposed apartment building was prepared by the Architect on the basis of Sabik Revenue Map during the year 2018. As per the Sabik Revenue Map the demarcation line of the plot over which the apartment is proposed to be developed is shown in the site drawing plan which has been up loaded in the respective place. Since, the Hal Revenue Map has been published; the Cadastral Map is prepared as per the Hal Revenue Map. It is seen that, the demarcation line of the designated plot and also some of the neighbouring plots have been changed. As such a Cadastral Map for the proposed area has been prepared on the basis of the Hal Revenue Map with 19 Latitude & Longitude points and uploaded in the respective place for registration of the project " NIDO DE AAMOR". To clarify difficulties, both the revenue map (Sabik & Hal) are enclosed here with for better appraisal.
