Dear Sir,

With reference to above, I, Ajay Kumar Sahoo, Registered as technical person  
Electrical Engineer Registration No. RTP/DTP (ELE, ER)-522/2022 on the Odisha  
Development Authority (CAF) Rules 2016/Director of Town Planning, Odisha,  
Bhubaneswar, do here by undertake the following:

I have prepared the Electrical plan/Design the Electrical installation for S+5 Storied  
Residential Apartment Building M/S. ACRERISE REALTY LLP., Designated Parner Mr.  
Sheikh Mairajul Haque over Plot No.925& 921/ 1327, Khata No. 225/451, 225/553, Mouza-  
Patapur, Tahasil- Baranga, Cuttack., Project Name - ACRERISE AURA Phase -II

1. The Electrical Installation shall be carried out as Indian Electricity Rules 1956 read  
Inspectorate, Government of Odisha & TP Central Odisha distribution Limited  
(TPCODL).
2. After full & final completion of the building with Electrical Installation, the Electrical  
Installation will be inspected as per design and drawing and guideline laid down in  
National Building code 2016, Indian Electricity Rules 1956 read with Indian  
Electricity at 2003, Rules & Guidelines laid down by Electrical Inspectorate, Govt. of  
Odisha & TP Central Odisha distribution Limited.
3. Also the installation shall the inspected by the Electrical Inspector Govt. of Odisha &  
Safety Certificate issued for safety before Engineering the Electrical Supply.
4. I undertake the responsibility with regard to installation of Electrical Transformer and  
its supervision of the respective electrical works during the project construction. I do  
take the responsibility to complete the electrical installation strictly as per the  
approved plan, design and there will be no deviation and no failure due to wrong /  
unsafe electrical work, due to use of low-quality material and /or poor workmanship  
which may endanger to public.

Thanking you.

Yours faithfully  
Er. AJAY KUMAR SAHOO
