## CLARIFICATION

We clarify that the project "Stalwart Skycity" having an approach road of 200'(ft) physically and also in CDP Map but in Revenue Map as it is not rectified the approach road, which shows a narrow road. The cadastral drawing/ location map prepared on the basis of Revenue Map is not consistent with approved site plan drawing.

In view of the above, we request for your good selves to consider our clarification and grant approval/registration of our project "STALWART SKYCITY".

Thanking You,

Yours Sincerely
