Sub:(Clarification for the wrongly mention in market complexes in amenities).

Dear sir,

I Aditya kumar nayak , MD, Sidhivinayak infrastructure and developers (p) ltd. want to state before the authority that in our application form for our project "sidhivinayak Solaris" at Mouza- Sundarpur, Bhubaneswar it is wrongly mentioned in the Amenities portion at "market complexes provision about providing 6nos. Of shops, instead we are providing the commercial shops for sale/rent purposes only. So the association of allotees will have no claim for include the commercial spaces in the common areas further.

Kindly consider our application as it is a clerical mistake from our part.

Yours faithfully
