To,

The chair person, odisha real-estate regulatory authority, Bhubaneswar.

Sub- correction in ownership of house no- 204

Sir,

I would like to inform you that the ownership of house no- 204 has been updated as promoter share's instead of land owner shares in our end. I understand this could be a typing error and I wish to request you for opening of fields of unit details, so I can correct my mistake.

Kindly look into the matter and make the field open for Rera registration and obliged.

SSRE

Real value is real estate

M/s. Satyam Sivam Developers

Your faithfully
