

## PROFILE

### ABOUT THE COMPANY

**NANDIGHOSH ESTATES PVT. LTD.**, pioneer in Real Estate. Established in 1997. Registered vide certificate of incorporation No.15-05117, Dt.01.12.1997 issued by the Registrar of Companies, Orissa, Cuttack. Company stands proud with committed years of qualitative construction, on time possession and experience in serving customers by providing all infrastructures with due approvals from the competent authorities. Our specialization is in innovative and effective structures. We emerge with a team of committed professional work force and experienced technical brains.

The Directors of the company with their rich experience in real estate business and supported by a well established professional work force have promoted various residential neighborhood layouts successfully in the last two decade making them pioneers in the field.

The company forays into the construction segment in the year 2001. In the meanwhile the company developed several residential as well as commercial projects successfully by providing all infrastructure facilities by obtaining due approvals from the appropriate authorities. The projects are also verified by a panel of legal advisors to give a litigation free property to its clients and has yielded rich dividends in terms of customer satisfaction and value appreciation. Quality construction is the hall mark of Nandighosh Estates.

### MARKET:

The company has a very good past experience; it's the general tendency of the market that, after successfully completing many projects within the schedule time, people have a good faith on the company's policy and its construction quality. Basing on the quality of construction, policies and credibility, we have a good marketability. The company hopes of better credibility and marketability in the future.

Quality, timeliness and commitments are the main motto of the company.
