Sub: Clarification regarding area sanctioned against podium covered parking and open parking area as approved by BMC vide permission letter No-33608 dated 27.11.2019

Dear Sir,

This is with reference to the above subject. We would like to state that the total parking area sanctioned is 26912.44 sqmt, vide the above permission letter, however this area has been divided into two heads as below.

- |                        |               |                   |
|------------------------|---------------|-------------------|
| a) Podium area parking | 19812.60 sqmt | (covered parking) |
| b) Open parking area   | 5389.65 sqmt  | (Open Parking)    |

The cost of one parking is included in the cost of the flat and parking will be allotted on First come First Serve basis and it is likely that some flat owners will be allotted open parking, proportionate to the area sanctioned and mentioned as above under two heads.

Thanking You,

For Assotech Sun Growth Abode LLP
