## Notes to Financial Statements as at and for the Year ended 31st March 2021:

### 1. Companies Information:

#### OMMBASTU BUILDCON PRIVATE LIMITED

Established under the companies Act 2013 is primarily engaged in the field of Civil Construction.

### 2. Summary of Significant Accounting Policies:

#### (A) Basis of presentation of Accounts:-

These financial statements have been prepared to comply with Accounting Principles Generally accepted in India (Indian GAAP) the Accounting Standards notified under Section 211(3C) of the Companies (Accounting Standards) Rules, 2006 (as amended) ("the 1956 Act") (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 ("the 2013 Act") in terms of General Circular 15/2013 dated 13 September, 2013 of the Ministry of Corporate Affairs) and the relevant provision of the 1956 Act/2013 Companies Act, as applicable.

The financial statements are prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### (B) Use of estimates

The preparation of financial statements in conformity with the Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the managements best knowledge of current events and actions uncertainty about these assumptions and estimates could result on the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

#### (C) Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any the cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from existing assets beyond its previously assessed standard of performance all other expenses on existing assets including day to day repair and maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses from de-recognition of fixed asset are measured as the difference between the net disposal and the carrying amount of the asset and are recognized in

the statement of profit and loss when the assets are derecognized.

#### **(D). Depreciation on tangible fixed assets**

Depreciation of fixed assets is provided on a pro-rata basis on the WDV method over its useful life prescribed in schedule II of the companies Act, 2013. The useful life adopted by the company and the depreciation has calculated for the remaining use full life of the asset after deducting residual value as prescribed in Schedule II part C of the companies Act 2013.

#### **(E). Borrowings costs**

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the engagement of borrowings. Borrowing costs directly attributable to the acquisition, and purchase of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use, are added to the cost of those assets, until such time the assets are substantially ready for their intended use. All other borrowing costs are estimate of recoverable value. The borrowing costs are recognized as finance cost in the period in which they are incurred.

#### **(F) Impairment of tangible assets**

An assets is treated as impaired when the carrying cost of the assets exceeds its recoverable value. An impairment loss is charged to the statement of profit and loss in the year when the assets are identified as impaired. The impairment loss recognized in prior accounting period is reversed if there is a change in the estimate of recoverable value.

#### **(G) Investments**

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments .all other investments are classified as non-current investments. Current investments are carried in the financial statements at lower of cost or fair value determined on an individual investment basis. Non-current investments are carried at cost and accrued interest earned thereon and the accrued interest shown as income and credited to the profit and loss account.

#### **(H) Inventories**

Inventories are values at cost comprising purchase price, freight and handling charges, non refundable taxes and duties and other directly attributed cost.

#### **(I). Revenue recognition**

Revenue is recognized to the extent it is possible that the economic benefits will flow to the Company and the revenue can be reliably measured.

1. Revenue from the sale of goods is recognized upon passage of title in the goods to the customers, which generally coincides with the dispatch of goods. Sales

- are net off returns, rebates, trade discounts.
2. Interest income is recognized on time proportion basis taking in to account amount outstanding and rates applicable as per the terms of agreements.
  3. Revenue from Erection and construction were recognized as and when the bills are raised according to the agreement.

**(M). Earnings per share**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

**(N) Cash and cash equivalents**

Cash and cash equivalents for the purpose of the cash flow statement comprise cash at bank and cash in hand and short-term investments with an original maturity of three months or less.

**(O) Preliminary Expenses:-**

There were preliminary expenses to be written off during the five year including the year under audit.

**(P) Provisions and Contingencies:**

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. There are no Contingent liabilities for year ended March 31st, 2021.

As per Report of Even Date.
