5. The land in question must be in lawful ownership and peaceful possession of the applicant.
6. The permission granted under these regulations shall remain valid upto three years from the date of issue .However the permission shall have to be revalidated before the expiry of the above period on payment of such fee as may be prescribed under rules and such revalidation shall be valid for one year.
7. (i) Approval of plans and acceptance of any statement or document pertaining to such plan shall not exempt the owner or person or persons under whose supervision the building is constructed from their responsibilities imposed under

BDA (Planning & Building Standards) Regulations, or under any other law for the time being in force.

- (ii) Approval of plan would mean granting of permission to construct under these regulations in force only and shall not mean among other things;
- The title over the land or building;
 - Easement rights;
 - variation in area from recorded area of a plot or a building;
 - Structural stability
 - Workmanship and soundness of materials used in the construction of the buildings
 - quality of building services and amenities in the construction of the building,
 - the site/area liable to flooding as a result of not taking proper drainage arrangement as per the natural lay of the land, etc and
 - Other requirements or licenses or clearances required to be obtained for the site /premises or activity under various other laws.
8. In case of any dispute arising out of land record or in respect of right, title, interest after this permission is granted, the permission so granted shall be treated as automatically cancelled during the period of dispute.
9. Neither granting of the permit nor the approval of the drawing and specifications, nor inspections made by the Authority during erection of the building shall in any way relieve the owner of such building from full responsibility for carrying out the work in accordance with the requirements of NBC 2005 and these regulations.
- 10. The owner /applicant shall;**
- Permit the Authority to enter the building or premises, for which the permission has been granted at any reasonable time for the purpose of enforcing the regulations;
 - Obtain an Occupancy Certificate from the Authority prior to occupation of building in full or part.
11. Wherever tests of any material are made to ensure conformity of the requirements of the regulations in force, records of the test data shall be kept available for inspection during the construction of building and for such period thereafter as required by the Authority.
12. If the Authority finds at any stage that the construction is not being carried on according to the sanctioned plan or is in violations of any of the provisions of these regulations, it shall notify the owner and no further construction shall be allowed until necessary corrections in the plan are made and the corrected plan is approved.
13. The applicant during the course of construction and till issue of occupancy certificate shall place a display board on his site with details and declaration as given at Annexure-I.
