Sir,

With reference to the above cited subject, it is to intimate you that, at present power supply to your proposed project can be possible as per CESU norms & condition by installation of Transformer and linking 3Phase 11KV line at your own cost.

But if delay shall be made, it is depending upon the the-then sources of supply.

This is for your information and necessary action.

Yours faithfully,

  
**Executive Engineer (Elect.)
